Subject: I tried fixing a bunch of issues on this page, but I think someone else was in there simultaneously, so I couldn't save my changes

It was on this page:

<https://wcms.epa.gov/goldkingmine/updates-epas-response-2015-release-gold-king-mine>

I was fixing lots of double-space issues, “the EPA,” “e-mail” instead of “email,” gratuitous capitalization, etc... ☺
